

Kettingen / Chains

- 4. Lastketting voor kettingtakels met motoraandrijving / Load chain for power driven chain hoists
- 5. Lastketting voor handgedreven kettingtakels / Load chain for hand powered chain hoists
- 6. Roestvrijstalen lastkettingen / Stainless load chains

Eigenschappen

- » Gekalibreerd.
- » Lastketting voor kettingtakels met motoraandrijving volgens EN 818-7-DAT/DT.
- » Lastketting voor handgedreven kettingtakels volgens EN 818-7-T.
- » Geleverd met testcertificaat en CE-conformiteitsverklaring.

Features

- » Calibrated.
- » Load chain for power driven chain hoists according to EN 818-7-DAT/DT.
- » Load chain for hand powered chain hoists according to EN 818-7-T.
- » Supplied with test certificate and CE declaration of conformity.
